ANTD.VN - In the morning of December 3, Chairman of Hanoi People's Committee Nguyen Duc Chung had a meeting with Mr. Torsten Bonew, Mayor of Leipzig (Germany).

Chairperson of the People's Committee Nguyen Duc Chung and Mayor Leipzig Torsten Bonew together with delegates at the meeting

We are pleased to welcome the Mayor and other members of the delegation to visit and work with Hanoi, Chairman Nguyen Duc Chung City People's Committee has informed the basics of the socio-economic situation of the capital and affirmed. Hanoi always attaches importance to the development of cooperation with German cities.

Recently, the People's Committee of Hanoi has supported the German Embassy in Vietnam and the Goethe Institute successfully organized the German Festival in 2018, attracting a large number of domestic and foreign tourists to attend.

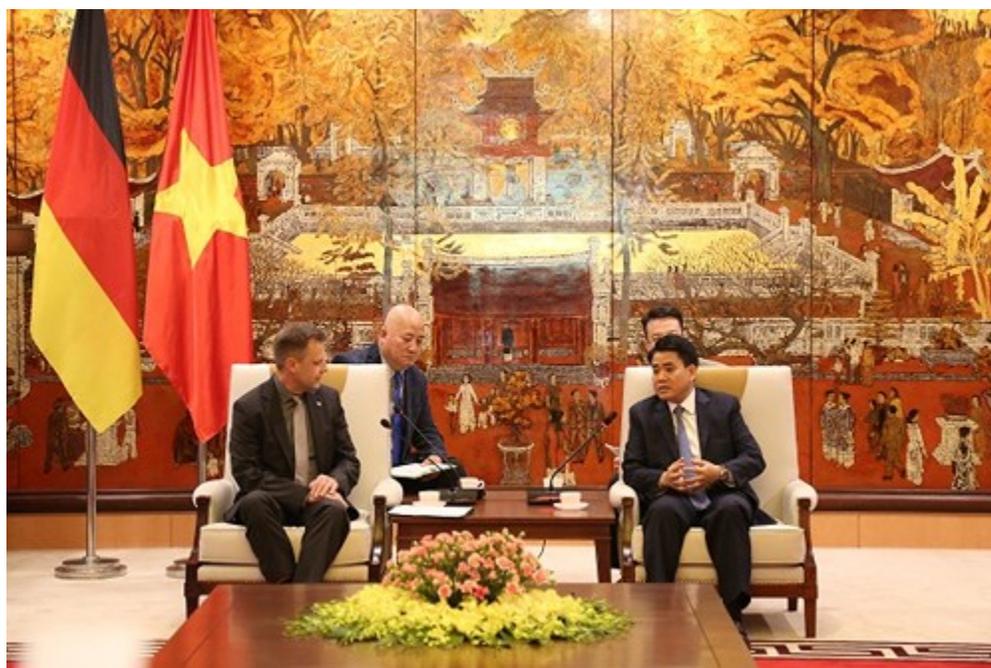

The city has also cooperated with Watch Water Company of Germany to produce Redoxy 3C to treat pollution in rivers and lakes of Hanoi; deployed the project to

more than 100 air monitoring stations to provide measures to deal with air

In the area of environmental pollution treatment, Hanoi is also building garbage treatment plants with the technology of burning electricity and technologies from Germany; Entire car vacuum, vacuuming of Hako Group of Germany ...

Address the challenges of the capital in development such as traffic congestion, environmental pollution, clean water supply, pollution of rivers and lakes ...

Chairman of the City People's Committee wants German enterprises in general, the city Leipzig in particular, with technological strengths, will cooperate in investment and technology transfer to solve these problems in Hanoi and continuously improve people's lives.

HCM City Chairman Nguyen Duc Chung and Leipzig Mayor Torsten Bone exchanged more cooperation between the two sides

Speaking at the meeting, HE Mr. Torsten Bone said that the visit of the delegation of Leipzig to Hanoi this time focused on the coordination of waste water treatment and clean water supply through the system of history. solar energy; University training in the field of construction, technology and exchange of vocational teachers, contributing to improving the quality of vocational training for teachers in Hanoi.

Affirming that Leipzig has a close relationship with Vietnam, the Mayor of Leipzig expressed his wish to cooperate with Hanoi City to overcome difficulties, challenges and sustainable development. I will do my best because of the good relationship, this effect ...
